This great undertaking will commence starting July 2nd, and will conclude the 9th, and the meetin' place be the Ray's Harbour. We shall set sail on the New River to begin our voyage to the treasure on Friday, July 7th.

Sustenance! Pirates be needing grub, and we shall have two communal meals. The First be occurin' on Thursday and it be the Fajitas. The Second Meal on Saturday, the whole crew better be bringing stuff to share – we pirates be all about sharing.

What would our Voyage be without Grog? We'll be needin' plenty of beer, and other daily potables, and if you be a generous sort, bring a bottle of Rum to share with your mateys. We shall toast and raise a glass (or many glasses) on Friday night.

All crew-mates need to pay their Due to the Captain. The Slush fund shall be 25 Dubloons for each adult crew member. The Cool Gift shall be 11 each. If ye be joinin' us on the River to search for the Treasure it shall be \$129.
