### The Pigs

There is unrest in the forest  
There is trouble with the pigs  
For the wheaties want more wheat beer  
And the hoppers want IPAs

The trouble with the wheaties  
And they're quite convinced they're right  
They say the hoppers fill up the cooler  
And they grab up all the ice

But the hoppers can't help their feelings  
If they like their barley pops  
And they wonder why the wheaties  
Can't be happy with more hops

There is trouble in the forest  
And the piglets all have fled  
As the wheaties scream "Oppression"  
And the hoppers just shake their heads

So the wheaties formed a union  
And demanded equal rights  
"The hoppers are just too greedy  
We will make them share the ice"

Now there's no more hoppy oppression  
On the cooler they did write  
And the pigs are all kept happy  
Take cold from left, put warm on right
